AMO ENTRANCE TEST AND SHORT COURSES

1. AMO ENTRANCE TEST FOR 2008

Date: 19 May 2008 at 0800 hours

Eligibility for the AMO course

You must submit the following documents on the day of examination

1. A diploma for clinical medicine
2. Form IV or VI academic certificate
3. A written proof of financial sustainability such as a bank statement or evidence of sponsorship.
4. Two coloured passport pictures
5. Non-refundable examination fee - 20,000/- (cash)

School fees

- First year: 2.5 million
- Second year: 2.86 million (includes field work).

The fee covers tuition, accommodation, meals, library and internet services.

2. CLINICAL OFFICERS' REFRESHER COURSE

This is a comprehensive refresher course for clinical officers. The course aims at updating clinical officers with current knowledge and skills in clinical management, and prepares them for the AMO entry examination

Date: 05 – 16 May 2008

Application deadline: 30 April 2008

3. EMERGENCY OBSTETRIC AND NEONATAL CARE

This is a comprehensive course that aims at updating the trainees with the most current clinical sciences and the underlying principles in the obstetric and neonatal care. The course enhances appropriate decision making and clinical reasoning skills for obstetric emergencies.

Date: 16 – 27 June 2008

Application deadline: 9 June 2008

Target Audience

Clinical Officers, Assistant Medical Officers, Doctors, Nurses and Midwives.

Course Contents

i. Introduction

The current state of maternal and perinatal care and outcomes in developing countries and the associated factors.

ii. Life saving management skills for:

a. Obstetric emergencies: Haemorrhages, pre-eclampsia and eclampsia, complications of abortions, anaemia in pregnancy and the use of partogram in labour

b. Emergencies of the newborns: Neonatal resuscitation, neonatal sepsis, prematurity, birth asphyxia etc.

iii. Management of common maternal conditions: Malaria and HIV/ AIDS in pregnancy

iv. The role of clinical audits in reduction of maternal and perinatal deaths
